

# MANYMOTHERS

Strengthening Our Families, One Baby at a Time

*Position title: Maternal Mental Health Clinician (MMHC)*

*Location: Santa Fe, NM*

*Exempt/Non-exempt/Part-Time/Full-Time status: Temporary Part-time, non-exempt, 25 hours per week*

*Developed: 06/2023-5/2024*

*Duration: 8/2024 – 6/2025, with opportunity for continuation (funding dependant)*

## **Background**

Many Mothers' mission is to provide in-home services and wraparound care to achieve health equity and wellbeing for babies and their caregivers in New Mexico.

## **Summary of Position**

Many Mothers is seeking a highly skilled, values-aligned *Maternal Mental Health Clinician (MMHC)* to join our team. Working with the Executive Director as a strategic thought partner, the MMHC will provide short-term therapy and sustainable resource connection to women experiencing perinatal and postpartum mood disorders (PMADs). The MMHC will also work closely with organizational leadership to help advocate for and develop best practices as we implement telehealth and onsite mental health options for families.

## **Primary Roles and Responsibilities**

- Conduct clinical assessments
- Maintain a caseload of at least 12 clinical hours per week, providing individual therapy to identified clientele
- Conduct psychosocial evaluations and accurately diagnose clients
- Provide care coordination service to address short (3 months and less) and long-term (3+ to 12 months) behavioral health treatment goals
- Provide crisis intervention services to clients
- Collaborate with community and/or clinic providers
- Connect clients with ongoing mental health services
- Implement the outlined goals and timeline of Many Mothers' current maternal mental health initiative plan, including individual counselling, remote/telehealth options, and group counselling objectives
- Develop written procedural manual

---

### **Skills, Knowledge, and Abilities**

- Combination of the following:
  - Currently licensed LPCC or physician in the State of New Mexico, and at least 6 months of case management experience, and at least 6 months of counselling experience; or
  - An LCSW or LMFT health professional, and at least 6 months of case management experience, and at least 1 year of counselling experience; or
  - An advanced degree in psychology, social worker, or closely related field, and at least 6 months of case management experience, and at least 2 years of counselling experience;
- At least 1 year of perinatal and postpartum mood disorder diagnostic experience preferred;
- Proficiency in computer use and previous work with case management software;
- Ability to conduct directed outreach

### **Core Competencies**

- High degree of integrity and dependability with a self-driven work style
- Demonstrated ability to set priorities
- Demonstrated excellence in clinical practice preferably with experience working with PMADs
- Comfortable with visiting client homes
- Ability to work as an integral part of care coordination with fellow staff members
- Excellent communication (written and verbal)
- Technical writing skills
- High level of understanding of various technologies such as: database use and management, Microsoft Outlook suite, Google Drive, and case management/referral software
- Solid understanding of the child welfare, the 0-3 landscape, and maternal mental health

### **Working Conditions**

- Attendance at in-person meetings and team building activities in Santa Fe are required for this position

Many Mothers is an equal opportunity employer that actively seeks a diverse work force. We consider applicants for all positions without regard to race, color, religion, sex, age, national origin, ancestry, disability, marital status, sexual orientation, gender expression, or any other legally protected status.

---

*Compensation:* The rate of pay for this position is \$39.00-\$44.00/hour, depending on degree held. Please send a cover letter and a resume to [hire@manymothers.org](mailto:hire@manymothers.org).
